📁 PROJECTS

Tic Tac Toe Game

- Designed and developed an interactive **Tic Tac Toe game** using HTML, CSS, and JavaScript with smooth animations and responsive layout.
- Integrated dynamic turn-based logic, real-time win/draw detection, and user-friendly interface for engaging gameplay.

E-Commerce Website

- Built a fully responsive **E-commerce website** using HTML, CSS, and JavaScript featuring product listings, filtering, and cart functionality.
- Integrated intuitive UI/UX design, dynamic content handling, and interactive elements to enhance user engagement and shopping experience.

SnackRush

- Designed and developed the **Snackrush UI prototype in Figma**, focusing on modern layouts, visual appeal, and consistent design elements.
- Created an **interactive clickable prototype with multi-page navigation**, effectively demonstrating user flow, app functionality, and overall user experience.
